GOVERNMENT OF KERALA

Revenue (N) Department

NOTIFICATION

G. O. (MS) No. 1240/77/RD.

Dated, Trivandrum, 22nd September 1977.

S. R. O. No. 876/77.—In exercise of the powers conferred by section 129 of the Kerala Land Reforms Act, 1963 (1 of 1964), the Government of Kerala hereby make the following amendments to the Kerala Land Reforms (Payment of Compensation for Excess Lands) Rules, 1974, issued under notification No. 61771/N1/71/RD dated the 15th February, 1974 and published as S. R. O. No. 132/74 in the Kerala Gazette Extraordinary dated the 15th February, 1974, as subsequently amended, namely:—

AMENDMENTS

In the said rules, in rule 4,—

(i) to sub-rule (2), the following proviso shall be added, namely:—

"Provided that the Land Board may entertain an application made after the said period of six months, if it is satisfied that the applicant had sufficient cause for not making the application within such period.";

33/3387/MC.

(ii) after sub-rule (2), the following sub-rule shall be inserted, namely:—

"(3) Notwithstanding anything contained in sub-rules (1) and (2), the Land Board shall be competent to make payment of the compensation, value of encumbrance, maintenance or alimony without any application.".

By order of the Governor,

S. PADMAKUMAR,

Special Secretary to Government.

Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport).

It is seen that applications in form No. 2 for the payment of compensation for surplus lands or the value of the encumbrance, maintenance or alimony, are often received in the Land Board after the time limit viz. 6 months as provided in Sub rule (2), of rule 4 of the Kerala Land Reforms (Payment of Compensation for Excess Lands) Rules 1974. It is therefore decided that a provision should be incorporated in the rules for condonation of delay where the applications are sent after the period of 6 months on valid grounds and due to circumstances beyond the control of the applicants. Delay in payment of compensation on the ground that application in form 2 has not been received has to be avoided as otherwise Government will have to pay huge amount by way of interest on the compensation. It is therefore necessary to empower the Land Board to make the payment even without the application.

This amendment is intended to achieve the above object.
